

Parents,

If you have received this email your junior is signed up for at least one week of our Operation 36 Summer Camp at Mcinnis Park GC. We meet Monday-Friday 9am-Noon. This email will go over the basic information regarding your juniors experience at Summer Camp.

Check In

We ask that you drop your junior in front of the **Putting Green** towards the front entrance where an Instructor (Coach Bruce or Coach Nick) will be waiting for all summer camp attendees. Upon arrival temperatures of campers will be taken. Once they are cleared parents are free to go. After checking in juniors will be asked to wait in designated areas until the rest of the camp is checked in. The maximum number we are taking within the camp is 28 split into two cohorts. This will be done on Monday as they check-in, to make sure appropriate age groups are set (friends can be in the same cohorts too).

Covid Protocol/Social Distancing

Throughout the entirety of camp, coaches will be emphasizing social distancing to all campers. As long as everyone maintains 6 feet from each other the camp can smoothly. Certain games and activities are appropriately designed to keep kids engaged and entertained while staying healthy. For more on this, please see waiver attached.

Face Coverings

Under the county mandate kids 2 and under are not required to have face coverings. So we do ask that they have them on upon arrival. They will also need them when we transition around the facility and on the putting green. When it comes to activities where they will be 6 feet apart from each other, they do not have to have them on (For Example, Driving Range, Chipping Area, Golf Course)

For more information on the Camp guidelines here is a link to all the county rules that we will follow

Shared Equipment

Juniors may not share any equipment unless they come from the same household. If they need help with equipment Instructors can provide it for them. However, we do highly encourage using their own equipment to avoid any sharing.

Operation 36

We are very excited to share our Op 36 curriculum with your juniors. All of you have received an invite from us to join Mcinnis Park's Op 36 dashboard. All you have to do is accept and create a profile for your junior. This will help us log in their scores when they get to play their matches. In the camp they will get one match within the week which will be very exciting because our goal is to motivate your junior to play as much as possible. On our home dashboard they can log in practices, interact with other kids in the camp/golf school, and receive personalized goals from coaches. Once your junior has a profile, try to enroll them into the summer camp class online where we will accept them into the group!

To give you more perspective on what Op 36 is, watch this short video!

Food

Campers will receive lunches Mondays-Thursdays, and Soft Serve/Slush on Fridays. There are no nuts served within any of the food. Please let us know if there any other food allergies or restrictions concerning your junior.

Waiver

Attached is a waiver, please print it out and have it properly signed for check in on the first day. It would be greatly appreciated!

We are really excited for this summer. By the end of the week we promise that your junior will improve their game immensely but also be motivated to keep playing this game. If you have any questions or concerns, please feel free to talk to our Head Golf Professional Daniel Stewart. Here's to the future of your junior's golfing career!

Thank You,

Mcinnis Park Golf Academy
