

Parents,

If you have received this email your junior is signed up for the Operation 36 spring season starting on Tuesday September 7th. The season ends on November 9th. We will meet every other Tuesday 4-5:30pm (Match Days juniors are encouraged to arrive at 3:30pm, if possible). Please keep in mind your junior will play 9 holes on those match days which normally takes about two hours from the time they tee off. This email will go over the basic information regarding your juniors experience during the Fall season.

Check In

We ask that you drop your junior at the **putting green** area where Coach Nick and Coach Brooks will be waiting for all campers. Upon arrival temperatures of campers will be taken. Once they are cleared, parents are free to go. After checking in campers will be asked to wait in designated areas until the rest of the camp is checked in.

Covid Protocol/Social Distancing

Throughout the entirety of camp coaches will be emphasizing social distancing to all campers. As long as everyone maintains 6 feet from each other the camp can smoothly. Certain games and activities are appropriately designed to keep kids engaged and entertained while staying healthy. For more on this, please see waiver attached.

Face Coverings

Under the state & county mandates anyone over the age of two is required to wear a mask. We ask that each person have them on upon arrival. They will also need them when we transition around the facility and on the putting green. When it comes to activities where they will be 6 feet apart from each other, they do not have to have them on (For Example, Driving Range, Chipping Area, Golf Course)

For more information on the Camp guidelines here is a link to all the county rules that we will follow

Shared Equipment

Juniors may not share any equipment unless they come from the same household. If they need help with equipment Instructors can provide it for them. However, we do highly encourage using their own equipment to avoid any sharing.

Operation 36

We are very excited to share our Op 36 curriculum with your juniors. All of you have received an invite from us to join Mcinnis Park's Op 36 dashboard. All you have to do is accept and create a profile for your junior. This will help us log in their scores when they get to play their matches. In the camp they will get to play in four matches which will be very exciting because our goal is to motivate your junior to play as much as possible. On our home dashboard they can log in practices, interact with other kids in the camp/golf school, and receive personalized goals from coaches. For any junior that has already started Op 36, they will continue to play from the same division they last played.

To give you more perspective on what Op 36 is, watch this short video!

Match Days & Tee Times

Matches will take place on the following dates: **9/14, 9/28, 10/12, 10/26**

On those dates, juniors are heavily encouraged to arrive by **3:30pm** if possible. Tee Times for Group 1 Wednesday are going to start right @ **3:30pm**. Group 1 will be teeing off first followed by Group 2. If juniors arrive by 3:30 they will have plenty of time to prepare for the match. Plan for matches to take up to 2 hours from when they tee off. Requests can be made by parents to have their juniors tee off early or later depending on what may be needed. Coaches will do their best to accommodate those requests.

Outside Group Activities

The State & County mandates allow juniors to participate in up to two groups simultaneously. Athletic activities must occur outdoors at this time.

Missed Classes

Unfortunately, this OP 36 season we will not be able to offer any make up days for missed classes due to Covid restrictions. We have however built this 10 week season around an 8-week program to allow for a class to be missed while still getting the full experience.

Snacks/Food Allergies

There will be no food served during camp but we do advise that juniors who bring snacks not to bring any nut related snacks to protect any junior that has food allergies. If your junior is allergic to something please make the coaches of the camp aware. On the last day of Class, there will be a mini golf party served with slush/soft serve.

Waiver

Click below for the waiver, if you can please print out and have properly signed for check in on the first day that will be greatly appreciated!

[DOWNLOAD WAIVER](#)

We are really excited to have your junior apart of our Op 36 program! By the end of the season we promise that not only will your junior improve their game immensely but also be motivated to keep playing this game. If you have any questions or concern, please feel free to talk to our Head Golf Professional Daniel Stewart. Here's to the Fall season and the future of your junior's golfing career!

Thank You,

McCinnis Park Golf Academy
